UCLA Brain Tumor Imaging Laboratory

Site Information for Material Transfer Agreement

The following information is need to draft a material transfer agreement between UCLA-BTIL and a recipient institution.

| Providing Institution Information | | |
|--|--|--|
| Name | University of California Los Angeles | |
| Address | 11000 Kinross Ave, Suite 200, Los Angeles, California 90095-1406 | |
| Providing Institution Principal Investigator | | |
| PI Name | Benjamin Ellingson, PhD | |
| Email | BEllingson@mednet.ucla.edu | |
| Phone | (+1) 310 481 7551 | |
| Address | 924 Westwood Blvd., Suite 615 Los Angeles, CA 90024 | |
| Department | Radiological Sciences | |
| Sequence Information | | |
| Name | SAGE_EPI | |
| Description | SAGE epi magnetic resonance imaging pulse sequence | |
| Receiving Institution Information | | |
| Name | | |
| Address | | |
| Phone | | |

| Name | | |
|---------|----------|-----------------|
| Address | | |
| Phone | | |
| | Domestic | □ International |

| Receiving Institution Principal Investigator | |
|--|--|
| PI Name | |
| Email | |
| Phone | |
| Address | |
| Department | |

| Receiving Institution Legal/Administrative Contact | |
|---|--|
| Contact Name | |
| Email | |
| Phone | |

UCLA Brain Tumor Imaging Laboratory

| Receiving Institution Local Siemens Collaboration Manager ¹ | |
|--|--|
| Manager Name | |
| Email | |
| Phone | |

| Receiving Institution Scanner Information ² | |
|--|---------|
| Manufacturer | Siemens |
| Model(s) | |
| Field Strength(s) | |
| Software Version(s) | |
| Serial Number(s) | |

Approved Use of Material

Please provide a concise but reasonably detailed description of the approved research using the Material by the Recipient Institution

¹ required: to transfer MRI sequences to Siemens scanners a C2P must be executed between the local Siemens managers from the receiving and providing institutions.

 2 required: please list all scanners where the sequences will be installed. All information is needed to provide the correct version of the sequence.
